Accra, Ghana | +233 592878212 | twumasiwaabelinda57@gmail.com | linkedin.com/in/belinda-twumasiwaa

PROFESSIONAL SUMMARY

Dedicated, empathetic Registered General Nurse (RGN) with First Class Honours in Nursing & Midwifery. Demonstrated clinical competence across intensive patient assessment, oncology chemotherapy administration, palliative care, wound management, infection control, and multidisciplinary healthcare team collaboration.

CLINICAL & PROFESSIONAL EXPERIENCE

Nursing Officer | Ghanaian-German Specialist Hospital, Accra

January 2026 - Present

- Provide direct, compassionate nursing care to in-patients and out-patients.
- Assess patients and accurately identify dynamic healthcare and recovery needs.
- Plan, implement, and evaluate personalized patient care based on assessment findings.
- Collaborate with physicians, nursing colleagues, and allied multidisciplinary professionals.

Professional Registered Nurse Intern | Ga North Municipal Hospital

December 2024 - December 2025

- Monitored and documented patient vital signs and clinical trajectories with high precision.
- Administered chemotherapy treatments in accordance with rigorous safety protocols and clinical supervision.
- Maintained meticulous clinical documentation, electronic records, and care logs.
- Championed patient advocacy and fostered clear, empathetic nurse-patient communication.
- Upheld strict infection prevention and control protocols across high-turnover clinical units.

General Nurse | Total Care Home Nursing Services, Accra

November 2022 - October 2024

- Delivered compassionate palliative care for individuals with chronic and life-limiting conditions.
- Managed chronic conditions including hypertension, diabetes mellitus, and cerebrovascular accidents (CVA).
- Administered aseptic wound dressings, monitored vital parameters, and provided family health education.

Clinical Student Internships

Accra Psychiatry Hospital (Mar 2023 - May 2023)

- Provided emotional support, mental health assessments, vital monitoring, and discharge education.

Greater Accra Regional Hospital (Jan 2022 - Mar 2022)

- Vital signs & blood glucose monitoring, aseptic wound care, palpation/auscultation assessment.

Korle-Bu Teaching Hospital (May 2021 - Oct 2021)

- Nursing care plans, patient reassurance, infection prevention, family hygiene education.
